## **ACC Celebrate 20 years**

ACC Flooring Ltd has recently celebrated 20 years in the flooring business. ACC's Nick Megson said "This has been made possible by the kind support of our customers and suppliers. We continue to grow and research new markets to ensure we maintain this growth and profitability. We have seen many changes throughout the last 20 years, and have also been pleased to see the growth of FeRFA, its promotion of resin flooring and the work it has done to introduce new standards for us to implement and maintain."

ACC Floorings were named as Highly Commended in the Contractor of the Year category at FeRFA's annual awards.
