

Grampian Foods

Grampian Foods Factory in Winsford Cheshire is a meat packing plant for Asda. The project that Kemtile undertook was partly refurbishment of existing buildings and partly a new extension.

Kemtile installed an area of 2,600 sqm of Ucrete UD200 SR, slip resistant grade and the kerbs were also rendered in Ucrete. In addition they laid 600 sqm of Kagetec BS using Pilkington's 200x100mm Atlaz brand industrial floor tiles.

The project was completed, early in 2005, with Blucher drainage channels.
