

PLUS COMPLETES DALMA MALL CAR PARK

Plus was contracted to lay 160,000 m² of PU based Floor Coating and 200,000 m² of anti carbonation coatings to the Dalma Mall Car Park in Musafah, Abu Dhabi, United Arab Emirates.

They were able to give a full package including surface preparation, repairs and coating as well as numbers and signs. The whole project was carried out on a turnkey basis so it was ready for use.

Started in 1999, Plus Painting Works L.L.C.

is a specialised contractor within the

contracting industry of the UAE providing expertise in the execution of industrial flooring systems for industrial projects, commercial buildings, hotels and residential developments.

Further, Plus undertakes structural concrete rehabilitation and restoration works of older structures.
