

The Future of Industrial Resin Flooring

Resdev at Vegas Show!

Resdev Limited has exhibited at the World of Concrete for the first time this year as part of its continued initiative to develop new trade links worldwide.

The exhibition ran from February 3-6 2009 at the Las Vegas Convention Center, Las Vegas, Nevada with more than 900,000 sq. ft. of exhibits occupied by over 1,700 exhibitors.

World of Concrete is the only annual international event dedicated to the concrete and masonry commercial construction industries and proved to be the ideal environment for Resdev to showcase new innovations in resin flooring technology along with the Pumaflor and Pumaflor polyurethane and epoxy ranges for industry and commerce.

Members of the team from Resdev met with customers old and new from all over the world including Japan, the United States and South Africa and the experience has been hailed as a positive success by everyone involved.

Resdev Limited has successfully exported its fully comprehensive range of resin flooring and car park decking systems, for application throughout the globe, for more than 30 years.
