

Royal Wedding Appointment

Veitchi Industrial Flooring Ltd played their part in the recent wedding of Prince William, Duke of Cambridge to Catherine, Duchess of Cambridge.

The Royal Couple's banquet for their evening reception in Buckingham Palace was prepared by renowned Michelin starred chef Anton Mosimann OBE on a Veitchi resin floor.

Rapid curing decorative resin has recently provided a flooring solution to the Swiss chef's exclusive Private Dining Club in London's Belgravia as well as their Party Service premises in Wandsworth.

David Hepburn of Veitchi Industrial Flooring commented *"We have many innovative flooring solutions which allow us to install projects with minimal interference to our clients operations. We are delighted to have completed works to these kitchens, adding them to our extensive list which includes The Old Course Hotel, St Andrews and Gleneagles Resort, Perthshire as well as the Radisson and Hilton chains."*

Veitchi Industrial Flooring Ltd carry out screeding, resin flooring and associated works across the Industrial and Commercial sectors.

Veitchi Industrial Flooring Ltd are part of the Veitchi Group including Veitchi (Scotland) Ltd, Veitchi (England) Ltd, Veitchi Interiors, Veitchi Homes, Richardson & Starling and Property Repair Network. Established in 1917 the Veitchi Group are the largest construction industry subcontractor in Scotland with a turnover of £40.7M to November 2010.
