

## **Another new gallery on the FeRFA website**

The FeRFA website is packed with useful information on applications for resin flooring and has now expanded its Gallery and Case Studies section to include Car Park Decking. From the home page you can click through to all the galleries and case studies on all the various sectors. These illustrate just how versatile resin flooring can be and the variety of finishes available.

The sectors and gallery pages now cover:

- Aerospace
- Automotive
- Car park decking
- Commercial
- Education
- Food (inc food manufacture, preparation, kitchens, etc.)
- Healthcare (inc pharmaceutical industry, hospitals, etc.)
- Leisure (inc sports arena, visitor attractions, restaurants and clubs, etc)
- Manufacturing and Warehousing
- Retail

Visit the pages by going to [www.ferfa.org.uk](http://www.ferfa.org.uk) and clicking on the Gallery and Case Studies pages.

The Resin Flooring Association, represents the major product manufacturers, specialist contractors and surface preparation companies, raw material suppliers and specialist service providers within the UK Resin Flooring Industry.
