

## **MORE RESIN FLOORING CONTRACTORS JOIN FeRFA**

FeRFA membership continues to grow with the appointment of five more specialist contractors:

### **POLYDECK RESINS LTD**

Polydeck Resins is based in Chippenham, Wiltshire and specialises in the application of resin industrial floor finishes together with associated screeding and drainage systems. These packages are mostly targeted at the food, drink and pharmaceutical industries, where the company is well established and can offer resin systems marketed by leading suppliers in the UK and Europe.

The company benefits from highly experienced management and teams of floorlayers producing quality work at competitive rates. This provides a high level of client retention and a solid base for future growth.

Polydeck specialises in offering packages of finishes to suit individual requirements, including wall claddings and heavy duty wall coating systems, waterproofing membranes and surface treatments to MSCP's.
