

New Chairman for FeRFA

FeRFA is delighted to announce the election of a new Chairman and officers at its recent AGM.

Stepping into the role of Chairman is Alex Dennis. A former Civil Engineer, Alex (pictured left) has been Managing Director of Remmers since 2005, and has extensive experience in resin flooring for both the industrial and commercial markets. Alex is thrilled to be able to take on the challenge of Chairman for FeRFA. He cites a strong desire to further grow the membership over the next two years and to take an active role in the promotion of resin flooring to new customers across the market sectors. Alex confirms that 'the FeRFA training schemes are the key to ensuring that high quality installations can consistently be achieved' and adds 'our members can reap rewards from the wide range of

marketing support and benefits now available to them from the Resin Flooring Association'.

Taking on the Vice Chairmanship for the coming two years is David Priest. David has been in the flooring industry since 1989 and has worked on both the contracting and manufacturing side of the industry. David (right), who is the Sales Manager for contractor member Kemtile Ltd, brings his extensive experience of a broad range of resin flooring systems, across all industries and particular in those of food and pharmaceuticals.

The Council for the coming year comprises contractors, manufacturers and associates:

David Clark, Respol Ltd (Immediate Past Chairman) Tracey Glew, PPC UK Ltd; Mark Hadfield John Lord & Sons (Rizistal) Ltd; John Hill SPE International Ltd; Stan Howarth Reprotect UK Ltd; Alex Dennis, Remmers UK Ltd; Kevin Cook, Altro Floors; Ian Scriven, BASF Construction Chemicals (UK) Ltd; Shaun Speers, Sika Ltd; Mark Spindley, Flowcrete Group plc; John Wright, Resdev Ltd; Matthew Brown, Ardex UK Ltd, Steve Foster, CCF Ltd
