

Vacancy for Resin Flooring Operatives North East England

FULL TIME RESIN FLOORING OPERATIVES REQUIRED by Reprotec UK Ltd.

Due to continued growth, Reprotec UK Ltd require experienced Resin Floor Operatives.

The ideal candidate will have previous experience in laying Resin Screeds and Coatings Systems within the flooring industry and/or experience in operating floor preparation equipment; however, we would be prepared to train individuals who show a good attitude towards developing their own skills.

Excellent wage rates to reflect candidate's experience, standard of work, and the necessary flexible working hours.

Our office is located near Durham City; however, the position would involve working on sites primarily within the North East, and could also involve some travel.

Because of the nature of our business, working times are to be flexible - quite often during weekend periods.

Successful candidates must have:

- valid driving licence
- CSCS card
- relevant contract flooring experience in the commercial and Industrial Sector

Excellent opportunity for those who wish to participate in the future of a progressive organisation and who believe in achieving results by hard work.
