

F&G Industrial
MJF House
Darlington
DL1 1QZ

Fantastic opportunity to join a young energetic company and be involved from the ground up. Having entered in to the resin flooring industry only 4 years ago we have quickly grown within our region. Now due to our planned growth we have a position for the following:

- Job Title:** Business Development Manager – Northwest & Yorkshire
- Salary** Extremely competitive and dependant upon applicant's experience. Remuneration package to include excellent bonus structure, company vehicle / car allowance, mileage
- Job Summary:** To provide and contribute to the strategic direction of the company by building firm client relations with new and existing clients and achieving incremental business growth / sales revenues.
- Experience:**
- Previous experience in resin industry/ environment (E)
 - Technical knowledge of all aspects of resin flooring systems & preparation (E)
 - Knowledge of resin screed systems (D)
 - Good financial and commercial awareness (E)
 - Experience of business development methods (E)
 - Experience of dealing with senior managers and clients including managerial experience (E)
