**MARCH 2017**

Instarmac Group plc were delighted to secure a position in the prestigious 'Sunday Times Best Small Companies to Work For' for the 8<sup>th</sup> year at the recent awards ceremony held in London earlier this year.

The Sunday Times Top 100 Companies was introduced in 2001 and has since become one of the most anticipated awards ceremonies of the year.

The Times Top 100 awards are split in to 4 categories – 'Best Companies', '25 Best Big Companies', 'Best Small Companies', and 'Best Not-for-Profit Organisations' – and each celebrate happy and motivated workforces across the country.

Each year sees thousands of companies register to take part in the surveys – which cover topics such as Leadership, Wellbeing, Giving Something Back, Personal Growth, My Manager, My Company, My Team and Deal – with only the top 325 being rewarded with this prestigious accolade.

The top 100 places are awarded following research conducted by Best Companies and Instarmac were delighted to be included in this esteemed list for the 8<sup>th</sup> year.

John Holcroft, Managing Director at Instarmac, commented: "At Instarmac we live by a simple philosophy which is to Work Hard, Have Fun and Make a Difference and our dedicated and engaging workforce do just that. I am delighted that Instarmac has been recognised as a 'Best Company to Work For' and feel tremendous pride having been awarded this top honour for the 8<sup>th</sup> time'.
