Has candidate taken and passed the H&S touch screen test? YES / NO

Does candidate hold a current CSCS card, YES / NO

If so, which one and give number _____

Once candidates have been enrolled by Construction Skills you should apply for a RED Trainee CSCS card. A form will be supplied.

EXPERIENCE / EMPLOYMENT

How long has the candidate been employed by you? _____

What is the candidates current job title / role _____

What is the candidate's experience in laying resins (if any)? _____

Any relevant previous experience _____

OTHER INFORMATION

As the training takes place at a variety of locations around the country it is useful for us to know the following:

Is the candidate a driver? _____

Does he/she have access to transport when training? _____

Any special dietary requirements? _____

As part of the apprenticeship candidates can receive help with literacy, numeracy and other learning difficulties?

Does candidate have any learning difficulties YES / NO

If yes please give details separately (all information will be kept in confidence).

Any known medical conditions which may affect the candidate in carrying out this occupation? YES / NO

If yes please give details separately (all information will be kept in confidence).

To help with planning the training schedule it would assist if we know of any planned holiday dates in advance. Once the training schedule has been arranged it is very difficult to organise additional training if sessions are missed, so it is vital that all apprentices attend all the sessions as planned.

If the candidate has holiday already booked prior to commencement of the scheme please make a note of these here:

Holiday dates _____

PHOTOGRAPHS

Please also forward (via email) a photograph of the candidate (head and shoulders). This can be taken on a digital or phone camera.
