## FeRFA AGM, BLACK TIE DINNER & AWARDS 2016 - Friday 11 November

The AGM and Awards Dinner at the Belfry provides the ideal opportunity to meet with colleagues, old and new, and network in convivial surroundings. At the afternoon AGM you will find out what's happening in the industry and to hear about the latest benefits and services available to FeRFA members. The FeRFA Awards Dinner will be a glittering event in the Woodlands Suite and an ideal opportunity to entertain customers, reward staff or enjoy a pre-Christmas get together with friends.

The Belfry Hotel underwent a major refurbishment in 2014 and offers luxurious accommodation, close to all the major transport links, yet set in the tranquil rolling Warwickshire countryside. It has an excellent leisure complex with pool, sauna, steam room and whirlpool plus a spa offering a range of luxury treatments.

This year the industry event begins in the afternoon with the AGM and refreshments at 3 p.m. and ends with great evening entertainment provided by our host Colin Murray, followed by music and dancing.

Three-time Sony Gold winner Colin Murray is a TV and radio presenter who has covered everything from sport to music to lifestyle in his varied career. He hosts a daily show on talkSPORT and is a regular on the BBC. Following a stint on Radio 1's daytime and then an early evening new music show, he has also he chaired Radio 5 Live's sports panel show Fighting Talk, marshalling the egos of the competing pundits, comedians and journalists.

Moving to television, Colin hosted Match of the Day 2 and the ever-popular BDO World Darts Championships. Away from broadcasting, Colin pens weekly columns for the Metro and the Radio Times, and has written a book, *A Random History of Football*.

The 2016 FeRFA Best Practice Awards will be presented after dinner and we will be honouring this year's Apprentice Graduates with the presentation of their NVQ diplomas and certificates.

You can then dance the evening away or enjoy a drink in the Woodlands Bar.

[Full details and a booking form can be downloaded here](#), so you can reserve your places and tables.

Thanks to our Sponsors for this year's event:

## FeRFA GOLF DAY - Thursday 6 October 2016

**The Erewash Valley Golf Club is our beautiful new venue for this year's golf day on Thursday 6 October 2016.**

Situated in Stanton By Dale, Ilkeston, the golf club fully deserves its reputation as a top class venue with a well maintained 18-hole course along with a welcoming clubhouse. The excellent and scenic use of natural features provides enjoyable year round golfing and will test the skills of all standards of golfer.

The event is open to all members, and you are welcome to bring along customers and colleagues for the day.

The first tee-off time is 09.30 and the last 11.00 for a Stableford 4 balls competition. Bacon butties and refreshments will be available before the start at 08.45.

Play will be in teams of four, so ideally participants are encouraged to put together their own teams but we will of course be able to make up teams if this is not possible for you.

The cost for the day's golf including breakfast and prizes will be £30 per player (plus VAT). Please complete the [booking form here](#) and you will be invoiced for the payment.

## TRAINING NEWS

### NEXT APPRENTICESHIP STARTS IN SEPTEMBER

**FeRFA is starting its next apprenticeship schemes in the Autumn - to start on 27 and 28 September 2016.**

Three schemes are available - all of which take two years and lead to an NVQ level 2 Diploma:

- Insitu Flooring: Resin
- Insitu Flooring: Screeds and
- Preparing and Profiling Substrates

All the courses include mandatory topics on health & safety, asbestos awareness, first aid, manual handling, together with work practice/project planning and then there are modules (which are practical and theoretical in either resin, screed or surface preparation topics).

**The fees for the scheme are £6,000 per candidate (discounts available for two or more apprentices and previous users of the schemes) and is fully grant funded for CITB registered employers.**

If you would like to find out more about the apprenticeships, please visit: [the apprenticeship page](#) where you can also download a [candidate enrolment form](#) or get in contact with FeRFA direct.

### e-LEARNING COURSES

FeRFA has a range of on-line e-learning courses available to members. These are free to use and require you to register with FeRFA to receive a username and password. The e-learning site can be accessed here: <http://elearning.ferfa.org.uk/>

The current courses are:

- **Assessing Slip Risk**
- **Work Practice & Project Planning**
- **Specifying & Selecting Resins**

FeRFA also offers one day upskilling courses at a cost of just £50 each (for FeRFA Members) which includes all training, course papers, lunch and refreshments plus a certificate upon successful completion. CITB levy payers may also be eligible for grant

funding of £50 (daily training plan rate).more details on the Upskilling courses that are available please visit the [Upskilling page of the website](#).

## NVQ LEVEL 3 – OCCUPATIONAL WORK SUPERVISION

The next NVQ level 3 will be starting on 14/15 November, and will be held in Nottingham.

It is 10 day course which takes three months and consists of 9 Modules (which are taken over 10 days as off-site training). It aims to raise the general standards of supervisors and equips them to deal with the increasing documentation and awareness involving safety and other legislation.

The cost for the course per candidate is £2520 payable in three instalments, and the current CITB grant is £2,225 (plus 10% if levy paid in time). This includes all the training plus food and accommodation for the training days.

This course meets all the requirements of the UKCG Training Standards for Supervisors.

For more information on this great grant-funded training opportunity click on this link, which gives details on the modules as well: [www.ferfa.org.uk/pdf/Training/SupervisorTrainingInfo.pdf](http://www.ferfa.org.uk/pdf/Training/SupervisorTrainingInfo.pdf)

## NVQ LEVEL 6 – CONSTRUCTION OPERATIONS MANAGEMENT

The next NVQ level 6 will start on 7/8 November and be held in Nottingham.

The course includes 12 days, in two day sessions around 6 weeks apart, in the classroom and at the same time candidates will work, using on-line workbooks, to gather a portfolio of evidence during that time. The process will be fully explained at the first sessions. Once the programme is complete and enough evidence has been gathered candidates will achieve their qualification.

The programme covers the following modules:

- Resource Management
- Leadership and Management + Communication and Customer Care
- Health and Safety
- Planning, Programming and Logistics
- Health & Safety (CDM) + Environmental and Sustainability

The course is £2,800 and grants are available for CITB levy payers totalling £1,900. Hotel accommodation can be booked locally to the course if required, at £50 + VAT per person, per night and includes breakfast but no evening meal.

\* CITB grant funding is available to in-scope companies only.

# FeRFA's RECYCLING SCHEME

## RECYCLING - ARE YOU TAKING PART?

We are set up to easily overtake the total set last year. To date over 1025 tonnes has been diverted from landfill or which over 980 tonnes was recycled. That matches the total for the whole of 2014. This rapid increase is because more members are providing their waste data and are able to display the recycling logo against their company entries. If you aren't submitting your company data, it is very simple to do using our spreadsheet we only require two figures per month - total weight collected and total weight recycled or recovered. [An easy to use template can be downloaded from the Recycling Section within the FeRFA Members Area.](#) The spreadsheet also provides you with a useful graph which you can show to clients and potential customers to demonstrate your commitment to sustainable practices. (If you use [Reconomy](#) as your waste provider, you do not have to provide separate statistics.)

If you are a manufacturer, FeRFA Recycling partner, [Protech Plastics Containers](#) can supply containers in various sizes to suit your product range, which are now produced from **40% recycled material**. Call Protech on 01827 314615.

More details on the recycling initiative are here: <http://www.ferfa.org.uk/recycling.php>

FeRFA RECYCLING DATA (TONNES)

FeRFA's partner in the recycling scheme, Reconomy, can assist you to reduce your total waste management costs, increase your landfill diversion, ensure compliance, under current Environment Agency legislation, maintain consistency and best practice across all sites and back-office functions.

National rates are available now for both hazardous and non hazardous materials - full details from [Reconomy](#).

Members have a dedicated service team at Reconomy who will assist you with all of your enquiries and purchase orders. Service team members are:

- Marie Castle - FeRFA Business Development Executive
- Alyson Westbrook & Georgina Powell - FeRFA Key Account Team
- The direct telephone numbers for the team are 0800 834 133 and 01952 211790 (from mobiles)

## BUILD UK ACCIDENT SURVEY 2016 - LIVE NOW

**The 2015/16 BUILD UK Accident Survey is now live for FeRFA CONTRACTOR MEMBERS to submit accident statistics for the last 12 months from 1 April 2015 – 31 March 2016 via the following link:**

[NSCC Accident Survey 2015/16](#)

The deadline for responses to this year's survey is **Friday 2 September 2016** - but please don't wait until the deadline to complete it as we will send regular reminders until it is completed. It should only take a few minutes to do, and if you have had no reportable accidents it will be just seconds as all you need to give is number of employees for that period, then click NO to accidents and it is done.

**Please note that providing annual accident statistics is a requirement of membership for contractors.**

A good response to the survey is vital as the information can be used to demonstrate to clients and others that the safety record of members is better than non-members. It can also help to identify accident trends in order to produce guidance which can reduce the risk of similar incidents in future.
