

Installers

As suppliers and installers of Industrial Seamless resin based floor and wall finishes for more than 30 years, Ryebrook Resin Flooring Ltd need to expand their current teams working on sites in London and across Southern England.

We need Installers skilled in surface preparation as well as those experienced in screeding and laying of resin floors.

Earnings and prospects are excellent and will reflect applicants experience and standard of work.

Company vehicle supplied, current driving licence is essential.

If you feel that you meet the criteria then please apply now to:
Ryebrook Resin Flooring Ltd, Kingston House, Waterside Court, Neptune Way, Rochester,
