

MONARCH FLOORING SERVICES LTD
FULL TIME RESIN FLOORING OPERATIVES REQUIRED

About the company:

Monarch Flooring Services Limited was established in 1995 and has grown to be one of the UK's leading applicators of seamless resin flooring. With an extensive record of successful applications and an impressive portfolio of clients, the company offers a nationwide, competitive and complete flooring installation service to suit all requirements from heavy duty industrial systems to commercial decorative finishes. With a growing order book, Monarch Flooring urgently seeks experienced resin flooring applicators to work full time.

About the position:

Monarch has offices in Derbyshire, Lancashire and Yorkshire but the company operates throughout the country, and home location does not necessarily have to be local. The role will include floor preparation, screeding and laying of resin floors.

Requirements:

- Full/valid UK driving licence
- Experience in working with resin systems
 - Epoxy coating/screed/self-levelling/quartz
 - Polyurethane coating/screed/self-levelling
 - Polyaspartic fast-curing resin coatings
 - Resin line marking/ganagway installation/bay marking
- Experience in floor preparation including grinding, shot blasting and priming floors
- Excellent communication & negotiation skills (verbal and written), with team, suppliers, site supervisors and clients
- Ability to work weekends/early mornings when required
- Experience of health and safety on large industrial sites
- Ability to follow instructions
- Punctuality and strong work ethic
- CSCS Card

To discuss the position further please contact Andrew Dawes
